

Hey Future Tigers!

(including incoming grade 10 students and any new-to-McNally grade 11/12 students)

The all important transition from junior high school to senior high school marks an evolutionary stage within your life. It can be an overwhelming, yet exciting experience. But, fear not future Tigers! Tiger Squad is here and we have organized an orientation day for future grade tens and new students to become acquainted with the environment at McNally.

On Tiger Squad Day, Grade 10s (and any new students) will be separated into small groups, each with two Squad Leaders. Together, each group will participate in a quick introductory presentation officially welcoming you to the school. Afterwards, groups will tour the school, receive timetables and student IDs, and participate in exciting activities. This will both prepare you for your upcoming year and give you an opportunity to meet your future classmates. At the end of the day, each student will receive a Tiger T-shirt. Not only a souvenir of your first day at McNally, but for you to wear throughout the year!

Everyone will be contacted by their squad leader prior to August 29, 2017 to remind them of important information. Please review fee and picture procedures on SchoolZone prior to Tiger Squad Day. School fees are payable to McNally High School on Tiger Squad Day.

Get ready for a fun-filled day as you walk through the halls of McNally High School as a TIGER!
